Notes:																									
1. Net scores are based upon an standard 80% difference between gross scores & par. This generated from an average between historical, combined with Day 1 and Day 2 handicaps from this year.																									
2. For all net and gross score ties between teams, the tie-breaker comparison starts at the GROSS strokes on hole 17, then goes to 18, then to 1, 2, 3 ... up thru 16, as needed.
