Gentlemen:

We've heard from quite a few of you via email, as well as some via USPS (snail) mail. Thanks. We also sent out an invitation via snail mail a couple of weeks ago to those for whom we did not have any kind of email address.

Bottom Line: It would be good to hear from MORE of you, even if you're not coming. Our goal was to get some kind of response by this weekend in order to allow us to firm up our numbers.

If you are coming, please send a \$140 deposit check by 9/15/09. Make the check payable to Dave Buttner and mail it to 2405 Chesterfield Avenue, Baltimore, MD 21213. Thanks.

By way of another request, we have no email address for the following, and we received rejected USPS mail that we had attempted to send them:

- Mark Greer. He's a friend of Ryan Stefanides.
- Bud White. He's a Pittsburgh guy, but not sure who he's buddies with.
- Ray Clarke. He a Chestertown guy.

Anybody who has an email (best) or a snail address for these guys, please advise thanks!

Also, anybody who knows Ozzie Sonnenburg, please let him know that we are sending him a snail mail invitation today. His email did not get rejected until it retried a few days ago.

Guess that keeping track of everybody is hard!

Thanks. Look forward to hearing from you!
