Notes:																														
1. Tie-breaker for overall rank is based upon results from the last day played as an individual. On the tie-breaker day, comparison starts at the GROSS strokes on hole 17, then goes to 18, then to 1, 2, 3 ... up thru 16, as needed.																														
2. Final or next year's handicap is based upon starting handicap averaged with all daily handicaps from individual scores (D1, D2, D4) from this year.																														
3. Any round not played by an individual will automatically generate 2 time par gross scores for that day. However, those gross scores are excluded from individual handicap calculations. The individual also receives zero points on that day.

- Notes:
1. Callaway Handicap method applied to arrive at net scores. Instructions are available to golfers that fully explain Callaway Hndcp method including, holes deducted and final handicap adjustments. Note that Callaway stroke adjustments are added to your final HANDICAP -- before subtracting said handicap from your gross score to arrive at your net score.
 2. For gross score and net score ties, the tie-breaker comparison starts at the GROSS strokes on hole 17, then goes to 18, then to 1, 2, 3 ... up thru 16, as needed.
 3. Gross stroke counts above with SINGLE strikethrough indicate FULL Callaway hndcp deduction. Strokes from these holes are added to your hndcp in total.
 4. Gross stroke counts above with DOUBLE strikethrough indicate 1/2 Callaway hndcp deductions. Here, 1/2 of your hole is added to your Cway Hndcp. See #3 for exception to this rule -- which is the one exception to standard Callaway handicap instructions.
 5. PER TOURNAMENT DIRECTOR RULES, half-hole CWAY HNDSCP deductions on odd-number stroke scores are ROUNDED DOWN. For example, a hole with 7 gross score and a 1/2 Cway Hndcp will have 3 strokes added to Cway Hndcp...

Notes:																									
1. Net scores are calculated by taking the team's best TWO gross scores on each hole, dividing it by 2, and awarding this net score to each player on that team.																									
2. Underlined gross strokes on holes above indicate which low 2 scores per team / per hole were selected.																									
3. For net score ties between teams, the tie-breaker comparison starts at the GROSS strokes on hole 17, then goes to 18, then to 1, 2, 3 ... up thru 16, as needed.																									
4. For gross score ties between golfers, the tie-breaker comparison starts at the GROSS strokes on hole 17, then goes to 18, then to 1, 2, 3 ... up thru 16, as needed.
