The following information will hopefully aid you in your decision to join us:

1. We will follow the same format as in past years, as well as employ the same tournament scoring system. The tournament directors are happy to say that the feedback we received last year was the outing was FUN and RELAXED. We sure want to keep this format going for many years to come. Just a reminder if winning the tournament is vitally important to you, you are most welcome and we trust that you will be extremely chilled out about it. Life is way too short, so let's show up just to enjoy the golf, socializing, and camaraderie. In the life too short aspect, I am healing well and expecting to make a full recovery. I will be looking for more strokes from Andy Long as I was unable to make my normal 4 rounds in 2010.
2. We plan to stay again at the Sea Mist Resort in Myrtle Beach, SC and enjoy a high quality of golf courses as we have in the past years. The check in date for the tournament is Wednesday and we will be golfing Thursday through Sunday. The courses this year, already approved by our most harsh critics, are Prestwick, Wildwing, Arrowhead, and The Witch. The cost of the outing is \$575, and it will include our hospitality suite and rooms in the building we so love, near the hot tub. Those golfers who plan on getting a head start on their fun and festivities can do so during our practice round being played on the 16th of March. More information on the practice round in the upcoming weeks.
3. **An advance of \$140 must be received by 9/30/10** to ensure your spot. The entrance fee covers the deposit of \$100 for the package, plus \$20 for the

tournament prize fund and the final \$20 for the group dinner at Crabby Mike's. Please mail your deposits to the tournament address above. The remaining money for the tournament will be your responsibility directly with the hotel. If you wish to stay on Tuesday or Sunday nights, or longer if you need to get in some early rounds the cost per night is \$36.

4. The tournament leadership team has remained constant from last year with a few changes to responsibilities, but as a player you should not notice any changes, nor expect any variances in how the tournament is managed. The feedback we received was positive so we are keeping it on the same path as last year.
5. One of our regular tournament players is becoming a grandfather! We all wish Ryan and his family the best when the new addition to his family comes into this world shortly. I had the pleasure of hosting Jimmy S. and his family during their trip back to Myrtle Beach from Maine where they vacationed with their family. I also want to thank everyone who reached out to me during the early days of last year when I was in the hospital. It meant a ton to me to know that there were so many people caring about me.

We hope that you can join us!

Sincerely,
Jason Stefanides - Tournament Director
Dave Buttner - Assistant Director
Jimmy Sullivan - Assistant Director
